PREMIUM ABOVE GROUND ROLLER

Durable and modern design

Made from long-lasting components

Designed for convenience

Lockable caster wheels for 360° mobility

Premium Above Ground Roller

The Premium Above Ground Roller is a durable and modern design that is ideal for placing and storing your pool cover.

Designed for convenience, the premium roller makes the process of placing your pool cover onto your pool quick and efficient. The lightweight system makes the roller easy for everyone to operate.

Available in Black, the roller can be made to suit most sized pools from 1.5 metres up to 5.2 metres. The roller includes a drop-down pin on both ends to fix the roller down combined with 4 robust lockable caster wheels for 360° mobility around your pool area.

The roller is made up of long-lasting components and features a 100mm centre tube for strength. An easy to use product that will offer years of trouble-free service.

Smart Easy Clamp System
